WE WIN — The LEMON GROVE REVIEW and SPRING VALLEY BULLETIN Friday night captured honors in the annual Press Awards contest. The two newspapers were awarded a first prize in the Outstanding Youth Service category for Publisher Max Goodwin's successful campaign to obtain funds for the continued education of a talented mathematics student whose identity was never revealed. The BULLETIN and REVIEW also took third place honors in the Community Service category for their campaign seeking removal of a utility pole in front of the Lemon Grove Postoffice, also successful. In the above photo, Goodwin, right, is shown with other county winners at the awards banquet. At left is Si Casady, publisher of the El Cajon Valley News, and Don Lapham, publisher of the San Dieguito Citizen. The REVIEW and BULLETIN won the Youth Service Award in 1957 and the Community Service award in 1958.

Grove Teachers Drop Raise Demands After Budget Study

Lemon Grove District Teachers have tentatively agreed to forego demands for a raise, the school board was informed Monday night by Byron Netzley, school superintendent.

Netzley said a California Teachers Association budget specialist had been meeting with the Lemon Grove Teachers Salary Committee and they had agreed, on the basis of the preliminary budget being studied currently by trustees, that a general raise was not in the cards. He said the group had planned to request a five percent increase.

Netzley told the board a request would be made for a raise if sufficient federal or state funds became available. Such additional funds are not very likely, he pointed out. Netzley said "it, (the preliminary budget) confirms what I've been fearful of. We do not have the wherewithall to give raises and maintain the present program at the same time."

SUMMER RECREATION

In other action the board reemployed 130 teachers and 60 classified employes. Fifteen resignations, mostly for family reasons, were accepted.

The board also approved Netzley's proposed summer recreation program in which 4-hours-a-day programs would be held at Palm Avenue, Monterey Heights, Vista La Mesa and San Altos Schools. All day programs would be held at Junior High. Keith Richards' summer theatre group will operate again this summer.

The final hours of the meeting were devoted to budget study. The board indicated $50,000 might be whacked out of the preliminary budget to offset a possible over-estimate of district income.

As it stands now, the budget will be for approximately $1½ million and may cause as much as a 10 cent increase in the present $2.37 elementary school tax rate.

The budget will be studied for at least two more meetings.

The district's insurance program will again be the subject of a future board meeting.

Homeowners Call Tax Protest Meeting Here

A group of Lemon Grove homeowners, organized to oppose the new higher evaluation recently imposed by the county assessor in the area re-assessment program, have set a public meeting for Monday at 7 p.m.

The meeting will be held in the Lemon Grove Junior High School cafetorium.

Co-chairmen of the protest group are Mrs. Chester Tamila, 6965 Mt. Vernon Street, and Mrs. David Bell, 2345 69th Street.

Speaker for the meeting will be Gen. William E. Miller, leader of other tax opposition groups.

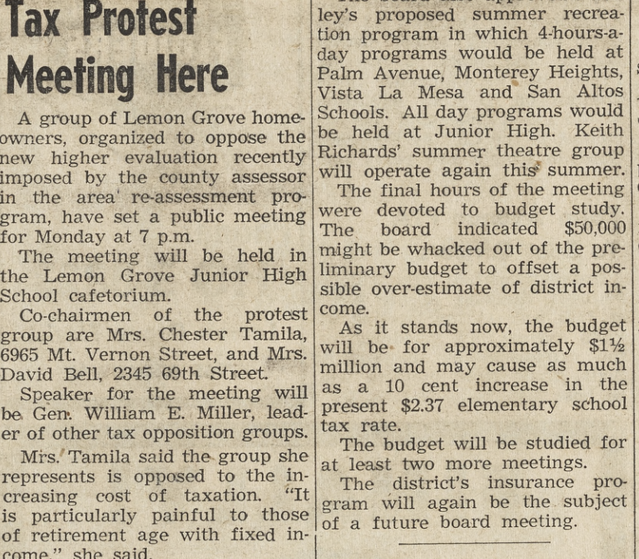
Mrs. Tamila said the group she represents is opposed to the increasing cost of taxation. "It is particularly painful to those of retirement age with fixed income," she said.

"Many fixed income families may be forced to dispose of the homes they have worked many years to acquire because their incomes cannot meet the tax demands. We think the place to start to stem the tide is at the nearest level of government."

The co-chairmen said they are urgently requesting everyone who has an interest in stopping increased taxes to attend the meeting.

REAL ESTATE VOLUME UP, TRANSACTIONS DOWN IN LOCAL AREA

There were 345 real estate sales in the Lemon Grove, Spring Valley and La Mesa areas in April, an increase from 261 sales recorded for the same month a year ago and a small decrease from March's 369 sales, according to Trends, monthly publication of Union Title Insurance Company.



FUN(D) PARADE—This was the scene Saturday in Lemon Grove when the Mt. Miguel Boosters Club staged a parade to attract attention to the club's efforts to raise money for lighting at Mt. Miguel High School's athletic field in time for next fall's sports schedule. Pictured are two units from the high school which marched in the parade.

Robert Sjogren, 37, has lived in Lemon Grove since 1953. A former deputy city attorney for San Diego, he now has a private law practice in the San Diego Trust and Savings Bank Building.

He was graduated from University of Wisconsin and University of Stanford Law School. He and Mrs. Sjogren have four children. Karen is in the sixth grade and Sandra is in the first grade. Robert is three and Eric is two.

All of them attend the Lemon Grove Congregational Church.

High School Building Program At Stake In Bond Issue Vote

Four school elections will be rolled into one Tuesday within the boundaries of the Grossmont High School District.

Not all parts of the sprawling high school district, with its 51,780 electors, will be voting on the same things, however.

In he entire district voters will choose two trustees for the high school board and vote on a bond issue for $5 million and a state loan of $2 3/4 million.

In the Lemon Grove Elementary School District voters will decide on the high school district issues and elect two members for the local board of four who have filed for the seats.

In the Spring Valley-Casa de Oro areas the high school issues will be voted, plus choosing one of two candidates for the La Mesa-Spring Valley Elementary School District board.

In the Grossmont District voters will be asked to approve, by a two-thirds majority, a $5 million bond issue and a state loan of $2,750,000.

The bonds and the loan will not increase taxes, district officials say.

High school taxes are scheduled to drop 24 cents per $100 assessed valuation from the present levy of 67 cents. The rate would level off at 40 to 45 cents whether the issue passes or fails.

High school district voters will also elect two trustees from a choice of three. They are:

Mrs. Portia Goode, incumbent, who has served on the board for three years. She lives at 690 Live Oak Drive, El Cajon.

Dr. John W. Hardebeck, M.D.,

Here's When And Where To Vote

Polls in Lemon Grove will be open from 7 a.m. to 7 p.m. Tuesday. Voters will vote on Grossmont High School District and Lemon Grove Elementary School District matters.

In Lemon Grove polling places are: Junior High School, Monterey Heights, San Miguel, and Vista La Mesa elementary schools.

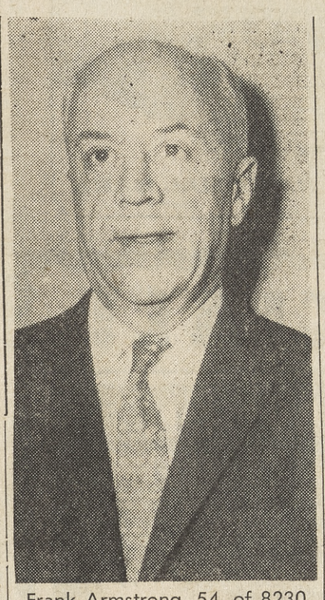
District Eyes $5 Million Budget

A preliminary budget of $5,114,516, up nearly a million dollars from last year, was presented Monday night to Grossmont High School District trustees by Harold Hughes, assistant superintendent of the district.

Hughes said an increase of 1,400 in student population, the opening of El Capitan High School in September, additional expenditures for instructional material and added capital outlay, were reasons for the increased budget.

Cost of educating a student next year will rise only $3, however, he said. Cost is estimated at $430.

He said the budget, which showed an increase of $973,962, also carried a deficit of $563,227, to be covered by possible transfers from bond proceeds and reserves. $4,381,250 would come from federal grants and state allocations, in addition to the new, higher tax rate, Hughes said.



Frank Armstrong, 54, of 8230 Golden Avenue, is an attorney who has lived in Lemon Grove since 1951. He has served on the school board for two terms starting in 1953. He is now on the school board.

He is vice president of the San Diego School Board Association and is chairman of its Legislative Committee. He is also on the Legislative Committee of the California School Boards Association. He is also chairman of the Lemon Grove Youth Center and a Kiwanian. Mr. and Mrs. Armstrong have two daughters, Patricia, 11, and Susan 8.

District May Build Hospital

Possibility of another hospital for the Grossmont Hospital District was discussed last week at the regular board meeting by the trustees after the board heard Dr. Vincent Moore, a district physician, report that lack of beds for emergency cases has become an acute problem.

Marvin Jackson, board chairman, said additional hospital facilities would be needed within two years and asked for consideration of the board for a populations growth study to decide when, if, and where another hospital would be needed.

"I personally prefer private enterprise to provide hospital facilities," Jackson said after the meeting. "But when there are not enough hospitals to fill the basic needs of the district's residents, we have to provide them."

Jackson said he thought a new hospital might be located northeast or southeast of El Cajon.

Jackson also said trustees agree that Grossmont Hospital should not be enlarged beyond 250 beds. This will be the capacity of Grossmont when the new wing is completed next year.

The Dimmer View

by MAX GOODWIN

The month of May has been interesting in school dsitrict matters the past couple of years, and this year offers to be no exception.

It has been two years, almost to the day, that Lemon Grove school board trustee Frank Armstrong, now seeking re-election, attempted to hold a "kangaroo court" session on four school district employes.

The "court" session was to determine whether or not school personnel had dabbled in a school board election held earlier in 1957, the one in which Bert Betts, now state treasurer, was unseated.

The four school employes, in case you have forgotten, were Mrs. Marian Batchelder and Mrs. Anna E. Espe, both school secretaries, and Louis Robinson and Rick Stammerjohn, both teachers. Stammerjohn was, and still is, president of the Lemon Grove Teacher's Association. Robinson teaches at San Miguel School.

The school board pre-labeled the kangaroo court affair as a "friendly and co-operative meeting" and the four appeared on that basis. The board permitted Armstrong to preside because he is an attorney. This is also a reason he should have known better.

Armstrong ordered each of the "defendents" to testify singly. The rest were to be "held" in an adjacent room without being permitted to hear the charges, the testimony, nor were they permitted the advice of counsel.

Then he decided each of the "defendents" had to take an oath just like in a downtown court.

That did it!

Mrs. Batchelder "escaped" long enough to phone V. J. Dorman, an attorney who once served on the school board. He sped to the "courtroom" and promptly busted up the meeting.

The meeting was illegal by way of provisions of the Luckel Act which denies private meetings by public bodies. In addition, this newspaper had not been notified in advance that such a meeting was to be held. This is mandatory by provisions of the same Act.

While no further action was taken by the board, by the attorney or by this newspaper, it is proper to report that Mrs. Espe and Mrs. Batchelder left the employ of the school district as a result of the Armstrong "inquisition."

HISTORY REPEATS

As if this wasn't enough, exactly twelve months later Armstrong took part in another affair which made for an appalling display of bad judgement.

When Armstrong ran against Judge Luther Hussey, also of Lemon Grove, in 1958, he ordered school personnel to remove bumper strips bearing his opponent's name from their personal autos. He took this action without consulting the rest of the board and they, naturally, rescinded the order when they learned of it. It is interesting to note that while this was going on, some teachers were being asked by Armstrong representatives to put Armstrong's bumper strips on the private autos of district teachers.

Few people will need guidance at the polls Tuesday. For those who are new enough to the community they have missed the Month-of-May silliness reported above, we suggest that the two men you vote for should be chosen with an eye to keeping the district operating smoothly. Of the four who are running (see list elsewhere in this issue) we strongly recommend two.

These are Raymond Lange, an incumbent who has served the district well these past years, and Robert Sjogren, an attorney who has earned considerable respect in local PTA circles for possessing a well-integrated personality coupled with good judgement.

Largest Acreage Sale

Sweetwater Property Sold For $4½ Million

Fred Hansen, well-known local developer and investor, sold 1,100 acres of his 1,200-acre Sweetwater Ranch to Los Angeles developers last week for between four and five million dollars.

The area is east and north of the former La Presa Airport, between Spring Valley and Casa de Oro.

The new owners, a syndicate formed of Coronet Construction Co., Norlin Construction Co., and Zoss Construction Co., of Los Angeles, plan to construct approximately 4,000 homes on the ranch.

The sale represents the largest single raw land purchase in county history in the amount of money. Philip Cravitz, a member of the Zoss firm, said construction would get underway immediately. The sale was handled by the L. O. Townsend Co. of La Mesa.

250 ACRES START

Hansen started putting together the Sweetwater Ranch in 1925 when he acquired 250 acres containing the famous mineral springs near the present La Mesa Airport. In an earlier venture water from the springs was bottled and sold in the East and in Europe for health purposes. The spring produces 100,000 gallons of water a day, according to Hansen.

Hansen came to this area in 1921 with $150,000 he acquired from the sale of a fence company of which he was sales-manager and secretary. He promptly invested it in San Diego County property and has since become one of the wealthiest men in the Southland.

He announced plans two years ago for making the entire 1,200 acres into a spa which would attract people from around the world. He planned to have it appeal to every taste. "If they want caviar in bed for breakfast we would supply it," he often said.

30,000 POTENTIAL

Hansen spent the greater part of the last three years promoting the Spring Valley Sanitation District so that the acreage might

Coordinating Council Elects Rev. Walter Smith As Leader

The Reverend E. Walter Smith, minister of the First Congregational Church here, Tuesday night was elected president of the newly formed Lemon Grove Coordinating Council.

Also elected to office, all for one year each were: Jim Spears, local Ford dealer, vice president; Mrs. Ava Diederich, second vice president; Mrs. R. E. Turner, secretary-treasurer, and Robert Sutton, Robert Buckner and Mrs. V. McKern, advisors.

The group approved a set of by-laws in which the function of the group was listed as . . . "to bring together representatives of local government and voluntary social agencies and interested citizens in Lemon Grove to enable the community to act together in promoting welfare of children, youth, and the community itself."

Meetings will be held on the third Monday of each month except for a special meeting to be held June 1 to hear a report by the Reverend Donald B. Cooke of the Methodist Church, on the Ace Drive-In Theatre. That meeting will be at 7:30 p.m. at the junior high school auditorium.

The group commended Pastor H. C. Bakken who was acting chairman while the council was being formed.

Council meetings are open to the public and invitation to participate is extended to all interested groups and individuals.

The Lemon Grove Coordinating Council will work in cooperation with the San Diego County Coordinating Councils, a county government function.

Assessor's Office Open

Late taxpayers who have not filed statements may do so at the San Diego County Assessor's office which will stay open late on the evenings of May 20 and 21, until 9. The branch office in Vista will also be open during these hours.

State law requires all veterans and church exemption claims to be filed no later than 5 p.m., May 25.

All businessmen and landlords are also urged to give immediate attention to the filing of property statements in order to avoid the imposition of delinquent penalties as provided by law.

QUIET WEEK FOR FIRE DEPARTMENT

The Lemon Grove Fire Department hardly earned their pay last week because they made only two fire runs.

One run was on Golden Avenue where fire destroyed a barn belonging to F. A. DeFrate. The family lives at 8333 Golden.

CLUB INSTALLS—Recently elected officers of the newly-formed Boosters Club of Mt. Miguel High School pose at Lemon Grove's landmark in the Plaza before they were installed Saturday night at the high school. From left, are Mrs. Marti Titmas, president; Mrs. Ed Schroeder, secretary; Frank Greenlee, vice president; Tom Welbaum, advisor; and Ted Arrington, treasurer. Welbaum was installing officer. The Boosters Club was formed to raise funds to provide lights for the athletic field at the school.

PTA Features Dads

'Let's Go With Dad" is the theme for the Monterey Heights PTA meeting Thursday of this week at 8:30 p.m. in the school cafetorium. A panel of four fathers will speak on "Ideas On Family Vacations."

The Monterey Heights Glee Club will perform several numbers. Hostesses for the evening are mothers of kindergarteners.

St. John's Church Sets Picnic Sunday

A full day of entertainment is planned for St. John of the Cross Church's parish picnic Sunday at El Monte Park in Lakeside. Chairman Mrs. Eleanor Finnegan and her committee have scheduled races and games for the youngsters, dancing for teenagers and parents, baseball and door prizes. The picnic will start at 10 a.m. and run until 4 p.m.

Participants will bring their own lunches. Friends are welcome.

WELCOME TO NEIGHBORHOOD—Mrs. Jesse E. Lee, left, who with her husband recently moved to a new neighborhood in Lemon Grove, is welcomed by Stella Smith, Welcome Wagon hostess for the Lemon Grove and Spring Valley area. Mrs. Smith's visit to the Lee home, 2241 Lyndine Street, was the first made by Welcome Wagon in the area since visits by Welcome Wagon were resumed recently. The organization visits residents' homes when families move in, a baby is born, Golden Wedding anniversaries are celebrated, and other special events are celebrated. Hostesses distribute gifts and inform new residents of churches in the area and of worthwhile civic and welfare groups.

Club Hears Talk By Former Prosecutor

Robert Sjogren, a Lemon Grove attorney who has offices in San Diego, was guest speaker Friday at the Men's Club.

He told of his experiences as a member of the staffs of the prosecuting attorney and the city attorney.

He said most people get their impression of the operation of the prosecutor's office from television programs. There's more to getting a "friend" out of jail in the middle of the night than meets the eye, he pointed out. Few carry $300 to $500 in cash on their person by which they can be bailed-out during the wee hours, he said. That's the reason bail-bondsmen do a thriving business, he added.

He also explained the reasons why persons who confess to crimes are not tried without being represented by an attorney who defends him. Additionally, he said, the prosecution must prove the suspect's guilt without the use of his confession.

"These are rights provided by the Constitution," he said.

Friday, the Men's Club will hear Bruce Weston, assistant traffic manager for the Port of San Diego, according to Jesse Lee, club president. The group meets every Friday at noon at Michael's.

Second Hollywood Trip Scheduled

A second fund-raising Hollywood trip is scheduled by the Lemon Grove Music Parents Club for May 29. Following the pattern of the first successful venture, the bus trip includes a tour of Hollywood and nearby points of interest, admission to two or more TV shows, and transportation.

The group will leave Lemon Grove at 7 a.m., returning at approximately 9:30 p.m. Reservations, which are open to the public, may be made by phoning Mrs. H. W. Lawler (HO 6-6876) or Mrs. E. Klimek (HO 6-8358).

All profits from the tour will be used by the organization to purchase supplies, uniforms, etc., needed by the student music group which the club helps sponsor.

Booster Club Gets Fund-Raising Help

Members of the Pop Warner Football League, made up of boys 14 to 16-years-old, are helping the Mt. Miguel Boosters Club raise money for lighting at Mt. Miguel High School's athletic field by starting seevral projects, still in the formative stage.

Local area boys in the Pop Warner League are being sponsored by the Lemon Grove Optimist Club which has as its creed, "A Friend of the Boy." The Optimists, newest service club in Lemon Grove, meets every Thursday at 7:30 p.m. in The Country Kitchen, 8125 Broadway, Lemon Grove. The club is still open to members.

Grossmont Student Winner At State Speech Finals

Grossmont High School senior Mary Leland of Lakeside, May 2 placed first in her division in the California State Championship High School Speech Tournament in Santa Barbara.

Reading in the humorous interpretation competition, Mary presented a section of the book "Please Don't Eat the Daisies" by Jean Kerr. She also placed fifth in the state in oratorical interpretation.

Two other Grossmont speech students also placed in the humorous interpretation section. Bob Drobach, a junior, placed fifth and Nina Cornelius, senior, placed sixth.

"No other school in the state had more than one entry," said Mrs. Jane Austin, speech coach, "and Grossmont placed three in one division." Bob read "Bernardine" by Mary Chase and Nina did another part of "Please Don't Eat the Daisies."

To qualify for entry in this tournament, a speaker had to be judged first or second either in the tournament at San Diego State College or in the one at Occidental College. Two other Grossmonters, Judy Rowland and Keith Julian, also were in the tournament but did not reach the finals. Mt. Miguel junior Joan Hoffman and Helix junior Eddie Lebb participated in the tournament, too, but did not reach the finals.

There was considerable comment concerning the school board candidates' check list we ran last week. The questions were as searching as they were simple. It was an admirable guide by which any school board candidate can be measured.

In Lemon Grove voters will elect two members to the Grossmont High School Board.

We think Mrs. Portia Goode has served the district well for the past three years. She should be re-elected.

We heartily recommend that the check list be applied to the remaining two candidates. We think Dr. John Hardebeck would come nearer measuring up to the district's needs than Robert E. Brown. Brown served on the Lemon Grove school board until his defeat last year. By standards set in the check list Mr. Brown left much to be desired during his last term at Lemon Grove. He has done nothing since then to cause us to want to recommend him.

Dr. Hardebeck apparently is hamstrung by a political witches brew which brings partisan politics into the picture.

We have not been able to confirm these political connections and until someone shows us proof, we'll recommend Dr. Hardebeck for election.

SD Glass & Paint Adds New Service

A glazing department has been added at the San Diego Glass and Paint Co., it was announced here by Clarence "Red" Ostrom, Lemon Grove store manager.

Ostrom said it was part of the firm's program of decentralization so that services as well as merchandise could be brought nearer the consumer.

He said often a job previously had to wait as much as a week for the glazier to work the job into his schedule from a central headquarters.

Now, he said, the new local department has two glaziers and they deliver the glass and install it at the same time.

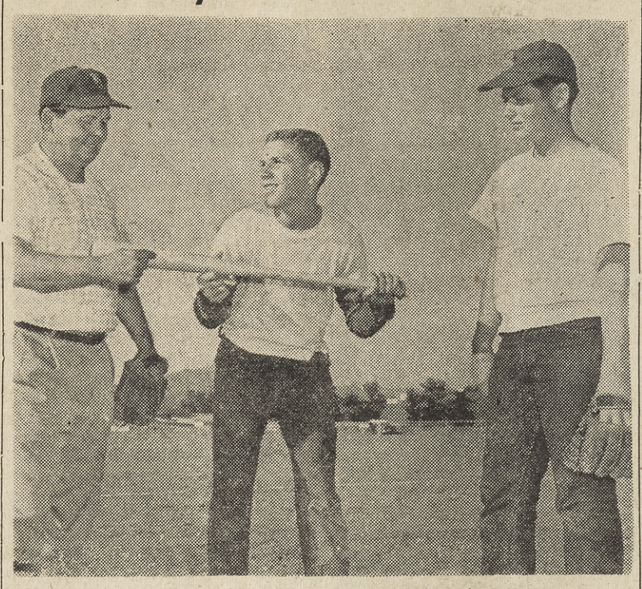
Pony Leaguers Open Play Saturday At School Field



HIT IT HERE—Del Ballinger, left gives a few bunting tips to Paul Tuomainien, center, and Tom Kelley at a practice session of the Lemon Grove-Spring Valley Pony League. Ballinger, ex-major leaguer, is manager of the Spring Valley Fire Department team, one of eight teams in the league.

The Lemon Grove-Spring Valley Pony League will have its opening day ceremonies Saturday of this week at the Mt. Miguel High School varsity field. The teams will assemble on the field at 11 a.m. for pictures. On hand to furnish the music will be the Mt. Miguel High band.

Opening day ceremonies will be held from noon to 1 p.m. Guest speakers will be: Melvin Grant, Mt. Miguel High School principal; Bill Hodgson, past-president of the LM-SV Pony League; and Arthur (Bill) Billings, past-president of the nationally famous "Hot Stove" League and scout for the Boston Red Sox. Several "Hot Stove" dignitaries are expected to attend.

Following the ceremonies there will be a double-header. The first game, between the Lemon Grove Optimists and the Spring Valley Sporting Goods, will start at 1 p.m. The second game is scheduled to start at 3:15. Greenwood Memorial Park and Cochran's Record Den teams will cross bats in the latter game.

A sewer line Tuesday almost cancelled the opening of the Lemon Grove-Spring Valley Pony League scheduled for Saturday at Mt. Miguel High School.

Construction workers of Dennis Construction Co. and Boyle Engineering Co. arrived at the ball field Tuesday morning to dig a ditch for the sewer (intended to serve Spring Valley Estates residents) smack-dab across the diamond. Officials of the league and the high school, including Lewis Smith, superintendent of Grossmont High School District, immediately set up a howl.

"If you dig the ditch before the opening we will have to cancel opening day ceremonies," they complained.

Officials of the construction companies and Bollenbacher and Kelton Co., developers of Spring Valley Estates, were called in. Everybody went into a huddle.

Construction officials finally relented. They agreed to hold up ditch-digging operations until Monday of next week.

Fred Hansen Sells Sweetwater Ranch

have sewers, and forming the La Presa County Water District of which he is chairman of the board of directors.

Complimentary to the operation is the fact that $2½ million of district water bonds were recently sold at par at less than 5 percent interest, in spite of the low assessed valuation of land in the district. Assessed valuation was only $450,000 when the district was started. There were 24 voters in the district when he organized it. There are presently 275 water users with a potential of 30,000 population.

The houses to be built on the ranch will sell for $15,000 and more.

The spa is expected to be situated on 100 acres he blocked off for that purpose for the new owners, according to Hansen.

Hansen has long been dedicated to the belief, through public utterances, that such a spa would become a world attraction for San Diego County. He said he hopes the character of the project would remain the same under the new ownership.

He plans his own home on a five-acre knoll overlooking the entire property. Hansen will live in it alone. His wife is permanently hospitalized. He has two adopted children. One, Mrs. John Cady, lives in Casa de Oro. The other is Dr. Fredrick Hansen, an M.D. in Hollywood.

Neil Zick Winner Of Grossmont Annual Road-E-O

Neil Zick, Grossmont High School sophomore, May 2 received the first place award in the annual Road-e-o sponsored by the La Mesa Junior Chamber of Commerce. Thirteen Helix and Grossmont students participated in the contest at Grossmont. Judges awarded second place to sophomore Dan Carpenter, third place to junior Dean McDaniel, and fourth place to Jackie Calder, all of Helix.

Officer George Kalin, in charge of the competition, presented a plaque to Neil whose driver education teachers Billie Myers and Gilbert Salazar commended him on a splendid attitude toward driving.

MOTHER IN HOSPITAL OVER MOTHER'S DAY

Mrs. Robert Vaught of 1502 Koe Street, Lemon Grove, reported that her mother, Mrs. Lyda Dempesy, now living in Chicago, was in the Presbyterian-St. Luke Hospital at 1753 N. Congress Street, there.

Mrs. Dempesy lived in San Diego for two years until recently, residing much of the time at Vaught's residence where she made a host of Lemon Grove friends.

Mrs. Dempesy underwent an operation on her leg to correct a vascular condition and remained in the hospital over Mother's Day.

The Heartland Motors Studebaker, Lark, has opened at the address of the J. R. Townsend Co., at 8148 La Mesa Boulevard.

Slubowski said the Studebaker Lark has received such widespread acceptance that sales stand fifth in the San Diego-Los Angeles county areas since it was introduced in October.

The Lark is a strictly American style small car seating six full-sized people. It boasts economy of operation in fuel consumption and wear.

Townsend has operated at the La Mesa address for the past 30 years.

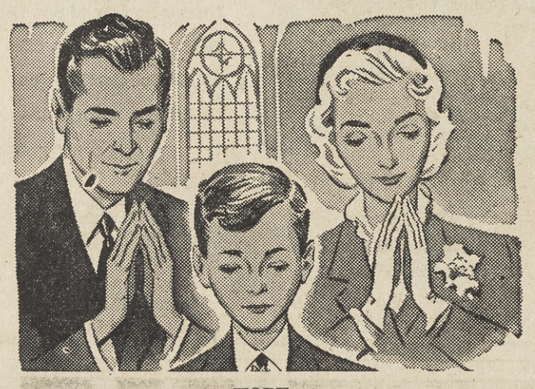
WHAT'S DOING

Will you be looking for interesting programs for your club or church meetings next fall? Here's a suggestion: We have a big selection of entertaining films, and we're happy to let your group borrow them. They range from short, 10-minute features to hour-long color films of our great TV science shows, like Our Mr. Sun and The Alphabet Conspiracy (scene above). If you're interested, just give us a call here at the telephone business office, and we'll be glad to help you. Do it now, while films are still available for most dates next fall. No charge, of course.

"DEFENSIVE DRIVING"— the key to enjoyable and safe motoring. Over the years we've had special driver's training courses for all drivers of Company vehicles. We've called it "Defensive Driving." This term denotes certain manual considerations but even more important, it's a "state of mind." Our drivers accepted it so well and enjoyed it so much, that we began receiving suggestions pertaining to a "family course." So, on a voluntary basis—from instructor to student, we tried three pilot courses. These were filled immediately and we had many students left over for future classes. The classes were held Tuesday and Thursday evenings and Saturday morning. We incorporated the principles of our regular course including the special assitance of the local Police Department. We certainly feel safe driving is everyon's business and we hope that through this program we can contribute to this most important civic responsibility.

LET US ALL PRAY TOGETHER AS A FAMILY



HOPE

So long as there are homes where fires burn and there is bread;
So long as there are homes where lamps are lit, and prayers are said;
Although a people falter through the dark—and nations grope—
With God Himself back of these little homes—
We have sure Hope." —Grace Nell Crowell

Carolyn Willig Becomes Bride In San Diego Rites

JOINS BRIDES—Miss Carolyn Willig of Lemon Grove, became the bride last month of Mr. Alan H. DaMoude of La Mesa, at ceremonies in First Lutheran Church in San Diego. The new Mrs. DaMoude is a graduate of Mt. Miguel High School. The groom is a graduate of Grossmont High School. They are residing at 4621 North Street, San Diego.

Miss Carolyn Willig and Mr. Alan H. DaMoude were married April 25 at the First Lutheran Church in San Diego. Pastor Milus Bonker officiated at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Charles Willig of Brookville, Indiana. She has been residing with Mr. and Mrs. P. H. Braley, 2283 Berry Street, Lemon Grove, her guardians for several years. Mr. DaMoude is the son of Mr. and Mrs. H. H. DaMoude of La Mesa.

Given in marriage by Mr. Braley, the bride wore a gown of ivory peau de soie, styled with a sweetheart neckline scalloped in lace. The bodice had short sleeves and she wore long lace mitts. The floor length skirt was draped to the back with large medallions of sequin and pearl embroidered lace from which the skirt flowed to a cathedral train. Her fingertip veil was held by a crown of lace embroidered with pearls and sequins. She carried an orchid corsage on a white satin Bible.

Mrs. Emery Fitts served as matron of honor, gowned in light pink brocade en bouffant, ballerina length. Her headdress was a matching satin ribbon band with flower chou over the right ear. The bouquet was a cascade of pink roses.

The Misses Jean Hickman, Creta Eaton, and Karen DaMoude, sister of the bridegroom, served as bridesmaids. They wore similar dresses in dark pink. They carried crescents of pink gladioli.

Lou Mitchell Dewhurst served as best man. Ushers were James Stinnett, David Walstencroft and William Brickel, uncle of the bride.

The flower girl was Emily Fitts and the ring bearers were Diane Fitts and Carl Jamison.

The wedding reception was held at the church.

The newlyweds returned recently from their honeymoon to Big Bear Lake and presently reside at 4621 North Street, San Diego, until their home in Lemon Grove is completed.

Mrs. DaMoude is a graduate of Mt. Miguel High School and has been attending San Diego Junior College night school while working at the Pacific Telephone Company.

Mr. DaMoude is a graduate of Grossmont High School and attended San Diego Junior College. He is now employed by Convair Astronautics.

Out of town guests were Mr. and Mrs. L. H. Menninger from Cincinnati, Ohio, and Mr. William Brickel of Dayton, Ohio, relatives of the bride.

Chamber Plans Mid-Year Meeting; Scott To Speak

The Lemon Grove Chamber of Commerce will have its semi-annual report dinner late in June and will invite George Scott to be guest speaker. The action was taken Thursday at its monthly board meeting.

The dinner is scheduled just 12 months before the opening of College Grove Shopping Center, which was developed by Scott. Scott has been a vigorous exponent of getting the Lemon Grove business community to accelerate its merchandising and to indulge in major face-lifting in order to be successful competitors of the center he founded.

The chamber accepted "with regret" the resignation from the board of Kenneth Barwick, local attorney. Earl Nelson, Lemon Grove Boosters Club president, was elected to replace him.

Gross proceeds from the Chamber's "Las Vegas Holiday For Two" project was $2,259, President Bill Parker reported.

The group heard Norman Lighthart, area property developer, describe a hundred- acre industrial park he is attempting to put together near Sweetwater Road and the Spring Valley sewer plant.

"School boards could very well look to industrial property as substantial school revenue-producing developments," he said. "No veterans' exemptions come off the top of industrial assessments," he pointed out.

Melvin Grant, principal of Mt. Miguel High School, told of the need for passing the high school bond issue when voters go to the polls Tuesday. High schools have already exceeded population capacity even before the issue is voted upon, he stated.

The Chamber board meets on the first Tuesday of every month.

Dorothy Bellew Weds R. Sutton

Mrs. Dorothy Bellew, daughter of Mr. and Mrs. A. C. Bostrom of 3214 S. Bonita Street, Spring Valley, became the bride of Richard C. Sutton of El Cajon, Saturday at the Bostrom home.

Polio Shots Set At High School

Polio shots will be given at the Mt. Miguel High School cafetorium Thursday of this week, 4 to 9 p.m. Cost per shot is $1 and this may be the first shot of a series of three or four. If so, the others may be taken elsewhere.

The Mt. Miguel program is being sponsored by the Mt. Miguel PTA. Anyone under 18 years of age must be accompanied by a parent or have a signed permission note.

At the same time, there will be tickets on sale for the forthcoming Del Mar County Fair. By purchasing them through the PTA, the tickets are reduced by 25 cents for adults. Five percent of the ticket money collected by the Mt. Miguel PTA will go into the San Diego Children's Dental Center. For further information concerning tickets, call Mrs. Bert Cosby, HO 9-1234.

Reference is hereby made to said map for a particular description of such district.

It is the opinion of said Board of Supervisors that the public interest will not be served by allowing the property owners to take the contract for the work to be done under these proceedings.

Jehovah's Witnesses Plan For Del Mar Convention

20,000 EXPECTED—Edgar A. Flinn, left, receives order from Shield Halvajiah, convention manager, to house 20,000 delegates of Jehovah's Witnesses for their Awake Ministers District Assembly at Del Mar June 4-7.

Jehovah's Witnesses from San Diego County met together recently for instructions to call on the people of San Diego and vicinity for listing of accommodations to house 20,000 delegates. They will converge upon this city for their Awake Ministers District Assembly to be held at Del Mar June 4-7.

Opening remarks were made by Shield Halvajian, convention manager from Los Angeles. He will oversee the functioning of the 23 departments to be used in the assembly organization.

"As hosts to our visiting delegates, we have the privilege of making all arrangements for what may prove to be San Diego's largest convention on record," Halvajian told the group.

Edgar A. Flinn of Lemon Grove was introduced as the man who would direct the rooming activities in which over 1,200 would participate. He outlined the need to canvas the entire San Diego territory for rooms to house the 20,000 delegates.

"Because this is a Christian assembly arranged by the Watchtower Bible and Tract Society, many persons have already offered spare rooms in their homes to accommodate these Christians," Flinn said.

All available hotel and motel accommodations will be used.

"Using the homes of the people will help to take up the added influx," Flinn said, "besides, it will give the good people of San Diego an opportunity to become acquainted with these Christian witnesses."

Rooming headquarters for the Watchtower convention is located at 4312 Rialto Street, San Diego 7.

Baptist Church Notes . . .

SV FIRST BAPTIST

"Life of Stewardship" will be Rev. Ernest Nichols' text Sunday morning. In the evening he will be speaking on "Gentleness of Living." Sunday School teachers will meet at the church Monday at 7:30 p.m.

CASA DE ORO BAPTIST

Mothers were honored all day Sunday at the Casa de Oro Baptist Church, with choir numbers at the morning services and a duet by T. Pettit and A. Fondaw at the evening services. Gifts were presented to the oldest mother, the one with the most children and the one with the youngest child present.

The "Family Night" feature during the recent Family Week, in connection with the Christ for the Homeland week of prayer, was well attended, according to Rev. Ernest Anderson. Slides showed the Baptist General Conference work in Mexico. Four GMG girls, attired in Mexican garb, were usherettes, distributed the programs and took the offering. Mrs. T. Blankenship, program chairman of the Women's Missionary Society, led the meeting. At the end of the meeting refreshments were served by WMS hostesses: Mrs. B. Berke, Mrs. L. King, Mrs. K. Ramsdell and Mrs. L. Anderson.

The Women's All-Church Choir, comprised of women of churches in Spring Valley and Lemon Grove, will sing several selections at the Sunday evening services.

Building Coming Down; Hamilton To Move Garage

Rolla Hamilton, one of the pioneer garagemen of Lemon Grove, is moving his shop.

For the past seven years he has been located at 3553 Imperial at North Avenue. Last week the building, owned by Ted Haaf, was sold at auction and is to be dismantled to make way for the widening of Imperial. Hamilton will occupy a new building he is now having erected at 2835 Imperial, between Lincoln and Palm streets.

Hamilton has been in the garage business locally for 13 years. He is president-elect of the Lemon Grove Rotary Club.

Celebrating their 56th wedding anniversary Thursday of this week are Mr. and Mrs. Marvin Hodge of 3925 North Bonita Street. The couple was married in St. Louis, Missouri. They moved to La Mesa in 1935 and to this area in February of this year. The "groom" spent 20 years with General Motors while in the mid-west, and was a leadman with Convair after moving to La Mesa. He was 79 on February 23. Mrs. Hodge celebrated her 73rd birthday April 23.
Mr. and Mrs. Hodge have five married sons, 10 grandchildren and two great-grandchildren. One son is Jesse Hodge, president of the Spring Valley Chamber of Commerce.
